## CHANCE FOR FAST PACERS

FREE-FOR-ALL EVENT MADE  
FOR LOCAL SPEEDSTERS.

Manager Hal Brown of the Calder's track has announced his programme for the opening meeting of the season, which will be held on Decoration day. The events have been so arranged as to give all the best pacers and trotters in the city a chance to enter in classes where they will have a fair break for the purse money. The feature of the day will be the free-for-all mile, best three in five heats for a purse of \$200. This race was made to secure the entries of such horses as Tomblinson, owned by J. McKee; Kangaroo, owned by Tom McCoy; Sarah Green, owned by Frank Wilson; Julia A. owned by Robinson and Monroe S. owned by J. A. Richardson of Boise City. It is very probable that the owners of these horses will put a side bet of \$200 to \$300 together with the stake money, will give the winner quite a sum of money.

A 220 pace with a purse of \$150, best three in five heats, is the next most important race on the programme. The well known local horses which are eligible to enter this class are Al Pendleton's George M. D. Humphreys; June Wilkes, Belva A. owned by Gus Lyons; the new pacer recently imported from Colorado Springs, American Fleet; Osmond, Wimmer's green pacer, and Polly Barr, the dark mare owned by Dr. Conroy. Any of these horses will be allowed to enter, and it is expected that they will all take advantage of the opportunity.

The 220 pace trot and pace, best three out of five heats, for a purse of \$150, is put on the programme for the horses which have not been in the program. Brown's Mary R. Dr. Short's Raymond and Wimmer's Mary. If any of these classes do not fill it is the intention of Mr. Brown to substitute an event for these classes, of which there are many in the city.

Manager Brown says he has not yet decided about the running of the mile, but some good horses make their appearance between now and Decoration day the latter class will be cut out altogether.

Shamrock III Will Prepare For  
Ocean Voyage Next Week.

Gourock, May 12.—Sir Thomas Lipton and Designer Fife have decided that it is not necessary to bring further trials to trials between the Shamrocks on this side of the Atlantic. Consequently Saturday's race will be the last. The two yachts will be sent to the Grand yachting Monday in order to join their ocean rivals. Racing, however, has been arranged for the light westerly wind was blowing and fine weather canvas was set on both yachts.

The Shamrock I had the advantage in being 300 yards windward when the yachts started. After a couple of miles of short tacking the Shamrocks came together and the challenger had done so well that she was able to cross the bows of her opponent and take the lead.

turning the Rothsay mark at the finish of a ten-mile beat the times were: Shamrock III, 1:03:15; Shamrock I, 1:11:41.

After turning the mark at Rothsay bay the progress was altered. Instead of making for the mark in Balloch bay the yachts headed up the frith and made a wide sweep to the westward. The yachts finished the run in close company. Tomorrow they will race over a fifty-five mile course for a prize of \$500.

Riser Says University Doesn't Want  
to Meet B. Y. A. Again.

Manager Riser of the University track team called at The Herald office yesterday and said he wishes to deny the story circulated by the Herald that the Brigham Young academy for another track meet at Ogden, Utah, on May 13.

"We are not after the Brigham Young academy for another track meet, and the story that we are going to meet them at Ogden is not true. I should like to see them if they have all our dates filled for this year. We have no kick coming, and we were defeated in last Saturday's meet and that is all."

Riser explained that he wished this statement published as the Provo boys think that the University is afraid of them and wanted another chance at them. He says there is none of this feeling at all. The University is not afraid of the Provo boys, who are willing to wait until next year to get back at the Brigham Young academy.
